Time	Melati Jr 4011	Melati Jr 4111
1200 - 1900	Registration	
	S-1-1- Special Session - Women in Engineering	WS2-1 IEEE HIVE @ TENCON 2024 A Hands-on Professional Development Program
1400 - 1415	S-1-1.1 Threat Hunting on 5G Future Communication Testbed Using MITRE FiGHT Framework	Welcome & Introduction Dr. Aishwarya Bandla, Chair, IEEE Region 10 Young Professionals
1415 - 1500	S-1-1.2 Research on the Electromagnetic Interference of the Balise System of High-Speed Train	Mastering Presentation and Pitching Skills Dr. Sudeendra Koushik, Chief Innovator, Innovation by Design
1500 - 1515	S-1-1.3 Characteristic Parameters Retrieval of Frequency Selective Surfaces Based on Very Fast Simulated Annealling	
1515 - 1530	S-1-1.4 Enhanced Black-Scholes Option Pricing: Bit-Width Optimization With Automatic Differentiation and Lagrange Multipliers	
1530 - 1545	S-1-1.5 EcoCoin: A Mobile App for Sustainable Actions	
1545 - 1600	S-1-1.6 AI RoomDecor	Announcement of Competition Finalists
1600 - 1615	Teabreak	
1615 - 1630	S-1-2.1 Enhancing Lower Primary Students Engagement Through Object Detection in Cartoon Images	
1630 - 1645	S-1-2.2 SpeeDF - A Speech De-Identification Framework	
1645 - 1700	S-1-2.3 Safety-Aware Path Planning Using Metaheuristics	
1700 - 1715	S-1-2.4 Exploratory Data Analysis for Brain Stroke Prediction Using Multiple Regression Models	
1715 - 1730	S-1-2.5 Image Question-Distractors Generation as a Conversational Model	
1730 - 1745	S-1-2.6 An Open-Source RAG Architecture for LLMs	
1800 - 2000	Welcome Reception (Melati Jr & Lotus Jr Bayview Foyer, Level 4)
